Strategy Pillars

The strategy has three pillars:

An annotated version of pillar 1, outlining the key pillar sections, is on page 3.

- As an HR manager, I will use the Pathways to Professionalisation Capability Framework in performance and development conversations to plan opportunities for capability uplift.
- As an agency leader, I will consider the Pathways to Professionalisation Capability Framework when allocating learning and development resources to my HR team.

Pillar 1: Action plan

The below actions are for individuals, leaders and agencies to incorporate into their own plans for realising the strategy.

The pillar action plan provides suggested actions under each activity for that pillar.

Action boxes are colour coded, based on the lead for those actions. For example, teal boxes are for the HR Professional Stream and APS leaders to drive, with all HR professionals encouraged to engage with and support these actions.
